A. Two-head U-Net
83 960 matched pairs
B. Flow, per draw
125 159 matched pairs
intensity error dln ρ
too strong →
← too weak
area error dln A
← too small
too large →
dln P = 0
small, < 65 km
medium, 65 to 200 km
large, > 200 km
region holding half of the pairs
rain-weighted mean error
